Parkdale School

Primary Sports Funding Spending 2021-22

The following is taken from the Department for Education Website:

https://www.gov.uk/guidance/pe-and-sport-premium-for-primary-schools

Rationale

How to use the PE and sport premium

Schools must use the funding to make additional and sustainable improvements to the quality of their physical education (PE), physical activity and sport.

This means that you should use the premium to:

- develop or add to the PE, physical activity and sport that your school provides
- build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years

Schools should use the premium to secure improvements in the following 5 key indicators.

Engagement of all pupils in regular physical activity, for example by:

- providing targeted activities or support to involve and encourage the least active children
- encouraging active play during break times and lunchtimes
- establishing, extending or funding attendance of school sport clubs and activities and holiday clubs, or broadening the variety offered
- adopting an active mile initiative
- raising attainment in primary school swimming to meet requirements of the national curriculum before the end of key stage 2. Every child should leave primary school able to swim

Profile of PE and sport is raised across the school as a tool for whole-school improvement, for example by:

- encouraging pupils to take on leadership or volunteer roles that support sport and physical activity within the school (such as ‘sport leader’ or peer-mentoring schemes)
- embedding physical activity into the school day through active travel to and from school, active break times and active lessons and teaching

Increased confidence, knowledge and skills of all staff in teaching PE and sport, for example by:

- providing staff with professional development, mentoring, training and resources to help them teach PE and sport more effectively to all pupils, and embed physical activity across your school
- hiring qualified sports coaches to work alongside teachers to enhance or extend current opportunities

Broader experience of a range of sports and activities offered to all pupils, for example by:

- introducing new sports and physical activities (such as dance, yoga or fitness sessions) to encourage more pupils to take up sport and physical activities
- partnering with other schools to run sport activities and clubs
- providing more (or broadening the variety of) extra-curricular activities after school in the 3 to 6pm window, delivered by the school or other local sport organisations

Increased participation in competitive sport, for example by:

- increasing pupils' participation in the School Games
- organising, coordinating or entering more sport competitions or tournaments within the school or across the local area, including those run by sporting organisations.

These Good Practice Examples produced by Active Derbyshire and Active Notts give further suggestions for how your PE and Sport Premium might be used to deliver on the 5 key indicators.

Your local Active Partnership can provide further advice on how best to use your PE and Sport Premium. Active Partnerships coordinate the local availability of PE, school sport and physical activity, and can help schools find the right sport opportunities and facilities. Where appropriate, you could also ask your local School Games Organiser for advice.

The Association for PE has produced a PE and Sport Premium FAQ which may also be helpful in deciding how you wish to use your funding.

Active mile

Where schools choose to take part in an active mile, you should use your existing playgrounds, fields, halls and sports facilities to incorporate an active mile into the school day and develop a lifelong habit of daily physical activity.

The following is a breakdown of intention for Parkdale Primary School 2021-22.

£19,600 (£16,000 + £10 x 360 pupils)* *Projected and allocated into School Budget	Note, all subject to review with Covid-19 restrictions – eg competitive sports may not happens, we may not be permitted to run clubs etc.	
Key Indicator	**2021-22 Intent**	**Spend**
Engagement of all pupils in regular physical activity	Continuation of involvement in the Sheriff's Challenge running initiative, a local response to Active Mile, which the school won in 2019-20 Continuation of school sports clubs with target of 75 of KS2 pupils and 50% of R/KS1 attending weekly Expansion to range of sports clubs offered to include at least: football (competitive and social, boys and girls), cricket, tennis, golf, archery, dance, athletics, table-tennis, multi-sports skills, gymnastics, yoga. Swimming to continue beyond Y3 to Y4 and then to continue for those remaining unable to swim continuing in Y5 and Y6. Target for 100% to be able to meet swimming expectations by end of KS2.	**£3,000 extended hours on Sports TAs contract** £2,000 to other providers – eg Sycamore Table Tennis. Core cost of Y3 swimming – Nil **Cost of additional follow up for Y4 and Y5/6 non swimmers £6,000**
Profile of PE and sport is raised across the school as a tool for whole-school improvement	Further development of Junior Sports Leaders from Y5 Additional PE and physical activity is built into the re-arranged day – target, pupils to average an additional 1 hour activity per week, which will include yoga. Re-stock playtime equipment to promote active play	£600 transport and staff cover for training days Nil – met in staff costs and additional Covid funding
Increased confidence, knowledge and skills of all staff in teaching PE and sport	Hire of a qualified professional sports TA to deliver lessons and clubs, supporting teacher with planning Involvement in sports hubs and networks for PE lead Non-contact time for PE team to support, mentor and quality assure A CPD budget – 100% of teaching staff access at least ½ day sports related CPD in the year.	£1,000 allocated **£1,500** cover costs for PE team (cover during QA work, support and whilst staff on courses) **£2,500 CPD** course and cover costs
Broader experience of a range of sports and activities offered to all pupils, for example	To extend the number and breadth of clubs after school to a minimum of two per day. Targets: 100% of children to have accessed at least one club in the year; 50% of the school involved in a club in any given week. Partnership with local sports clubs to extend offer Acquisition of kit and equipment for playing hard-ball cricket – pads, helmets etc:	**£1,000**
