

THE LIME TREES AT PARKDALE

October 2021

Welcome to The Lime Trees.

Following on from our initial correspondence back in September 2021, we are pleased to confirm that we are all set to open our doors at Parkdale Primary School on Monday 1st November.

Over the last few months, we have been busy behind the scenes managing bookings, planning for the opening and prepping the setting, and filling it with all our **brand-new resources**.

Account Manager

Anna Morley will be your dedicated Account manager who oversees all bookings, payments, and the transition to our new online booking system.

Ofsted

We have now received our registration number from Ofsted. This is 2662329.

Registering with Ofsted allows parents to use their childcare vouchers or the Government Tax Free Childcare. More information can be found at here – <https://www.gov.uk/tax-free-childcare>

Training

We have now recruited staff for a number of our settings and in the process of confirming who will be assigned to each club. We will send out a further update shortly on this. All our staff will have taken part in our Early Years training to review the latest changes to the statutory framework and look at ways to implement this within our setting. We want to ensure our early year's care remains at an 'Outstanding' level.

Insurance

As a statutory requirement, The Lime Trees has public and employer liability insurance to the sum of £10 million. The certificate is displayed on our notice boards and is available on our website.

The Lime Trees 'Academy' Holiday Clubs

We have recently reshaped and adapted our holiday clubs to best meet the needs of children who attend.

From February 2022 your child will have access to all the usual high engagement activities that you would normally expect from a Lime Trees holiday club. In addition, we focused on more physical activities, employing several sports coaches to provide high quality sporting activities.

We feel that it is important that we help children to recapture the magic and joy of childhood. Letting children be children and explore their imaginations, interact with other children, face new and exciting challenges and maybe even come away with some new friends.

Further information will be sent out closer to the time regarding booking your child's place.

Testing Positive

If your child does test positive, it is now required that the child isolates and that the parent contacts NHS Test and Trace. You will then be informed of the next steps.

Household isolations will depend on the ages of people in the household and whether or not they are fully vaccinated.

If your child does test positive, they obviously cannot be brought into our setting. We ask that you make us aware of a positive test as we still need to report positive cases to the local authority and Ofsted.

If there is a positive case in our setting NHS Test and Trace will decide if further steps are required.

At present, due to the current guidance, a positive case in our setting would not mean the closure or restriction of the club.

If you have any concerns or questions please do not hesitate to contact your account manager Mandy to discuss further.

Times & Prices

	Breakfast Club	After school Club	'The Academy' Holiday Club
Time	7.30am-Start of school	End of school-6pm	7.30am-6pm
Cost	£5.95	£8.25	£15.00
