

KS2 – ROUNDERS

National curriculum aims: Pupils should continue to apply and develop a broader range of skills, learning how to use them in different ways and to link them to make actions and sequences of movement. They should enjoy communicating, collaborating and competing with each other. They should develop an understanding of how to improve in different physical activities and sports and learn how to evaluate and recognise their own success. Pupils should be taught to:

- use running, jumping, throwing and catching in isolation and in combination;
- play competitive games, modified where appropriate [for example, badminton, basketball, cricket, football, hockey, netball, **rounders** and tennis], and apply basic principles suitable for attacking and defending;
- develop flexibility, strength, technique, control and balance
- compare their performances with previous ones and demonstrate improvement to achieve their personal best.

Year 3

- To be able to throw and catch a ball, overarm and underarm, accurately and understand when you would use these throws in a match.
- To introduce batting skills needed in rounders
- To learn a range of fielding techniques
- To have a basic understanding of the rules of rounders
- To learn where to stand in a rounders match

- To understand why we eat healthy foods and exercise regularly.

Year 5

- To be able to develop the ability to understand the importance of power when demonstrating the bowling action.
- To be able to develop the batting and bowling technique incorporating power and placement.
- Develop and refine fielding tactics maximising players
- Apply skills and tactics in a rounders match
- To be able to analyse their own strengths and weakness to enable a better performance.

- To be able to understand healthy choices for their own personal lifestyle

Year 4

- To be able to show the correct bowling technique.
- To develop batting skills
- To introduce and apply basic fielding tactics
- To be able to accurately demonstrate the long barrier and use it effectively in a game situation (fielding)
- To know the rules of rounders and the role of the batter, bowler and fielders.
- To perform effective communication and teamwork skills.

- To be able to understand the importance of healthy eating

Year 6

- To confidently know all the rules for batting and bowling
- Master all bowling, batter and fielding skills
- Use a range of tactics for attacking and defending in the role of bowler, batter and fielder
- To have the ability to become a reflective learner and evaluate on peer's performance.
- To develop communication skills, teamwork through rounders game play

- To gain an understanding of the importance of a healthy lifestyle and the importance of exercising.
