

## Friday 13<sup>th</sup> May - Eid Celebration Day

We are celebrating Eid across the school with fun activities and party snacks.

We would love for our Muslim children to come to school in their traditional celebration dress that they may have dressed in to celebrate Eid at home.

It is a wonderful opportunity to share how they have celebrated at home and to explain what their favourite part of Eid is for them.

All children across the school will take part in the Eid Celebration Day.
