

Congratulations and well done to everyone who took part in our runPudsey event at Parkdale. We combined the event with our usual Sherriff's Challenge run so clocking up the miles for the school and the pounds for Pudsey.

As you can see we have raised over £5000 and although it says 152 participants, I can assure you that everyone in school ran on Children in Need day. Not least of all Sam Richardson and Mr Pattison who ran a cheeky 5K around the outside of the MUGA, ably cheered on by KS1 when they came out for playtime.

I am sorry it has taken so long to report on the event but we had issues getting the right number of medals through from Pudsey HQ and with postal strikes and other issues it has been a bit of a trawl. Anyway, the outstanding medals have now been received and if your child raised £10 or more on their giving page linked to the runPudsey page then their medal is now in school and should be coming home this week. If you still wish to donate to Pudsey, I believe that your giving page is still open, however, no further medals will be awarded. Only accounts up to date by the close of play on November 18<sup>th</sup> will receive a medal.

Thank you to everyone who took part and thank you to all your friends and family who sponsored you.

Well done once again.

Mrs. Cooper.
