Willow Wanderers FC are an England Football Accredited junior football club based at Carlton le Willows Academy. We are starting a new girls' intake training group at U9 (year 3/4) within the next week or two, training on Thursdays 5-6pm, with the aim of forming a team next year at the latest. We have a strict policy of equal game time for those playing matches and foster a friendly and welcoming environment. Our girls' training sessions are run by a former professional female player – grab the opportunity before it's gone!
