

Optional Homework Menu  
Reception Spring 2024

Following consultation with parents Parkdale have opted to offer a Homework Menu to our families. If you wish to complete some of these activities at home they will support your child to learn and progress. Please share any work via Tapestry and we will celebrate homework in school.

1. Plant a Seed

- Make a diary about the changes you see, can you draw and label the plant?

2. Go on a Spring walk

- What can you see and smell, that are the signs of springtime? Make a PicCollage of the 'spring signs'.

3. This term we are exploring primary and secondary colours. Can you make a picture all in primary colours?

4. Why not make a set of number stones? Collect 10 pebbles and paint numbers 1-10 on them. Try putting them in order and hiding one, which one is missing?

5. Recognising the arrays on a dice, without counting, is a key part of the Reception curriculum, we call this subitising. Can you practice playing dice or dominoes?

6. Pick your favourite book. Can you draw a picture of a character. Please bring your picture to school and tell us why you love the book. Perhaps we will even read it in school!
