April 2024

Dear Parent(s)/Guardian(s)

Curriculum Plans for Summer Term

The children have had a wonderful Spring term in Year 1 and we are very proud of them for all of their hard work.

This term, the big question in Year One is focused on Robin Hood - Real or Myth. Please see the enclosed curriculum grid for specific areas that we will cover.

Recommended Home-learning: Year 1

- Daily reading (10 minutes per day)
- Spelling practice – can be practiced on Spelling Shed. The Year 1 spelling test will be every Friday. There will also be a new assignment on Spelling Shed throughout Summer term for the children to practice their common exception words.
- Maths Blast – to be completed on My Maths. We will set new tasks fortnightly.

Login details for Spelling Shed and My Maths can be found in the back of your child's reading diary.

Optional Homework Menu for Autumn Term

- For phonics practice this term, use the phonics play website (Username: parkdalep / password: 123456)
- We will be looking at seasonal changes this term. Go for a walk and see what signs of summer you can spot. You could bring some natural objects into school that are signs of summer or draw and label a picture of your summer time walk.
- We will be exploring textiles in Year 1 this term. Can you practice sewing a simple stitch at home?
- We will be learning about time this term, learning o'clock and half past. Try to use a clock at home to see what time you are doing certain activities e.g. waking up, eating meals, going to bed.
- Visit your local library and borrow a book to bring into school for a day and read with your friends.
- We are learning to become more independent in Year One. Learn to tie your own shoelaces – there are lots of videos online for some helpful tips!

We look forward to working with you as you support your child's learning at home. If you have any queries then please contact your child's class teacher.

Thank you for your support.

Yours sincerely,

Miss Harris
