

### Curriculum links

To understand the war in Syria and its effects on the Syrian people. We aim to organise and provide action within the community to help refugees.

### Geography skills:

- Use atlases and digital maps to look at journeys of refugees and migration movements
- Use atlases to study countries and their borders
- Understand different terrains within different countries using Google Earth

### History skills:

- Use artefacts to make deductions about people's lives
- Chronological ordering of key wars in the past
- Understand the history of social injustice and how oppression has affected communities
- Make comparisons and give points of view

**MFL: French:** Language Angels Scheme of Work

**PE:** Cricket (Thursday), Athletics (Friday),

**RE:** How religious and spiritual thoughts are expressed in the world through Art and Architecture.

How are religious and spiritual thoughts expressed in the world through charity?

**Music:** Ukulele lessons & music production using GarageBand.

### Well-being

A range of daily sessions that includes PSHE & values learning, yoga, breathing, book-based activities and continuing to enjoy our 50 Things Challenge.

### Reading

Our class book is **No Ballet Shoes in Syria**. For the first two weeks, we will be launching our new class book, drawing inference from what we read, exploring character's viewpoints and writing poetry linked to the book.

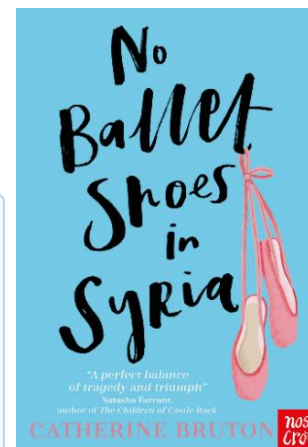

We will also look at extracts from non-fiction, diaries, journals, poetry & other texts linked to our topic.
