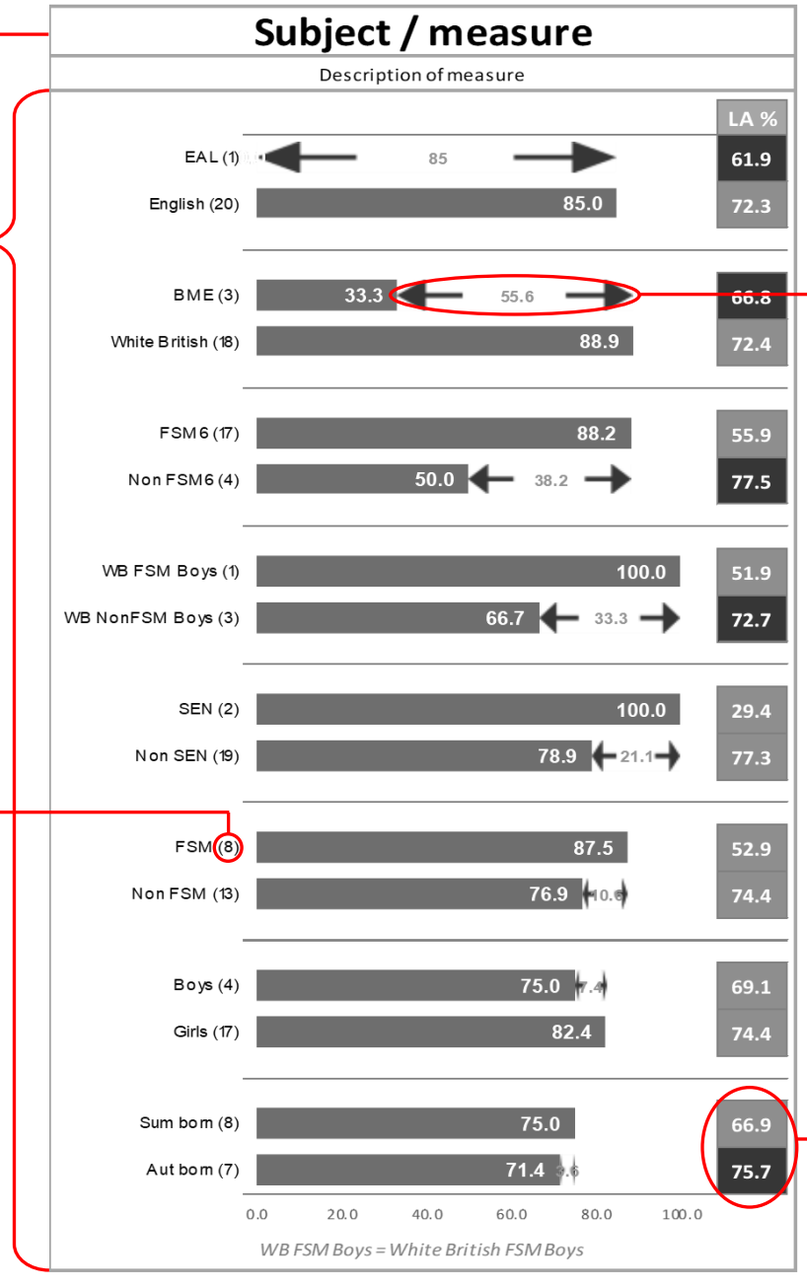
## Guidance - Glosing the Gap
End of Key Stage Summary Dashboard

Subject or measure which the below analysis relates

Shows outcomes for pupil groups within the school for this subject / measure in the latest assessment year. The pupil groups are ordered with the largest gap (the difference between the vulnerable group and other pupils) at the top and the group with the smaller gap at the bottom. Any group(s) with no pupils will appear at the bottom of the list (identified by the 0 in brackets). Caution should be used when interpreting outcomes of small groups.

Figures in brackets refer to pupil numbers. In this example there were 8 FSM pupils in the cohort.



The red arrows represent the percentage point gap between the two pupil groups. In this example there is a within school gap of 55.6 percentage points between white British pupils (where 88.9% achieved this outcome) and pupils from a black or minority ethnic group (where 33.3% achieved the measure).

Shows the outcome for the particular pupil group in the LA. The value is shaded depending on if the school outcome is above (green) or below (red) the LA average. In this example summer born pupils in the school are doing better than the LA average so is shaded green where Autumn borns are below the LA average so shaded red.

For a definition of pupil groups please refer to the attainment guidance.
