

Year 4 Homework Menu Spring 2025

This term we are looking at the environment and how we can improve the oceans and their habitats. Look at the list below and see what you can complete. A folder on Showbie for you to put any photos or information of your activities for us to share and enjoy together.

- Learn to tie shoe laces.
- Design and make your bug hotel.
- Take a walk around a park looking at the different trees, plants and habitats or take part in junior 2km parkrun on Sundays at Colwick Park.
- Visit an aquarium.
- Do a litter pick around your streets or a local park.
- Create a shoebox 3D underwater theme.
- Use your photography skills to take images of wildlife - can you change the colour, distort, zoom in?
- Complete the 'GREEN' Blue Peter Badge - if you've completed is there another you could do? The 'PURPLE' looks good!

The apps we use in school can also be accessed at home.

- TTRS
- Spelling Shed
- My Maths
- Pickatale
- Epic (7am - 3pm unless bought at home)
