

Dear Parents/Carers,

As we approach SATs, we are focusing on Key Instant Recall Facts (KIRFs) to build fluency and confidence in maths. These are fundamental facts that children should be able to recall quickly and accurately. By securing these facts, children can work more efficiently in all areas of maths.

### How Can You Help?

- **Daily Practice:** Spend a few minutes each day going over key facts. Little and often is best!
- **Make it Fun:** Use flashcards, online games, or quick-fire quizzes to engage your child.
- **Real-Life Application:** Encourage your child to use maths in everyday situations, such as telling the time, measuring ingredients, or working out discounts while shopping.
- **Challenge and Encourage:** Praise your child's efforts and challenge them to beat their own best times when recalling facts.

Thank you for your support in helping your child develop these essential skills. If you have any questions, please do not hesitate to contact us.

Best wishes,  
Mrs James and Miss Blatherwick
