

Easter Bonnet Parade

Wednesday 2nd April 2025

9am on the playground

You are all invited to the annual Parkdale
Easter Bonnet Parade.

Every child is invited to create (maybe with a little help
from a grown up) their own bonnet and show it off
around the playground at 9am.

There will be chocolate treats for all the children who
take part and prizes for the winners.

Parents, please feel free to stay on the playground after drop off
- wait along the MUGA fencing, behind the line of cones and
the classes will be on the side nearest to the coloured fencing -
don't forget to wave as they parade by.

*Please remember to take a photo of your child at home, the taking of photos is not allowed
during the parade to protect our vulnerable children. Thank you for your understanding in
this matter.*

After the parade the hall will be open for our Science Exhibition
of the different science investigations and activities the school
completed during science week in March.

Thank you to Friends of Parkdale for providing the prizes and treats for the parade.
