

Year 4 Spring 1 Newsletter

Lunchtime News and Adaptions

As we enjoy the introduction to the new lunchtime play arrangements (using the field), this has impacted the types of footwear/clothing children need to wear. Therefore, in year 4 we have made some choices to make school life a little bit cosier. We are asking/requesting (is possible) for a set of wheelies and a set of hard sole slippers (not Ugg boot style) to be kept in school. This will allow children to:

- Arrive and go home in school shoes/ trainer for PE.
- Change into cosy slippers in the classroom
- Change into wheelies at lunchtimes.

Technology and Equipment

At the beginning of the year, all children were given a set of headphones and iPad pen to use in lessons. These roughly cost £20 per pen and £10 for headphone. We accept natural wear and tear however, unfortunately we have found a number of pieces of equipment being misused, purposefully broken or uncared for. Due to budget constrains, we are unable to replacing head phones or iPad pens unless these are faulty.

Parent Engagement Event

Parents are welcome to join us on Wednesday 21st from 2.30-3.30 in hall for a science workshop of electrical systems. Here you will aid your child to build a simple circuit to light up a bulb. Unfortunately, we cannot accommodate any siblings at this event.

PE Days

Our PE days are
Mondays
and
Tuesdays.

Forest School

Forest school sessions will take place on 4 Ash - Mondays.
4 Poplar - Tuesdays.

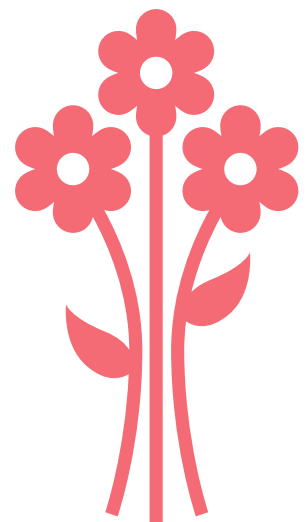

Date for the Diary

21.1.26 - 2.30 - parental engagement event

12.2.26 - am - Severn Trent water workshop

13.2.26 - INSET day
