

## Art and Design Factual Knowledge Progression Based on Transform Art Curriculum

	DRAWING 	PAINTING 	SCULPTURE 	PRINTING 	COLLAGE 
<b>Early Years</b>	<p>Explore using different media to draw. (paint, chalk, pencil)</p> <p>Hold a pencil correctly.</p> <p>Draw representations of people.</p> <p>Add details to drawings including emotions on faces.</p> <p>Talk about what I want to draw.</p> <p>Talk about what I have drawn.</p> <p><i>Draw, pencil grip</i></p>	<p>Hold a paintbrush correctly.</p> <p>Create simple representations of people using paint.</p> <p>Explore what happens when I mix colours.</p> <p>Talk about what I have painted.</p> <p>Explore changing the texture of paint.</p> <p><i>Paint, painting, colour</i></p>	<p>Create a sculpture representation of the human face.</p> <p>Explore using my hands to mould dough and clay by pinching, rolling and pulling.</p> <p>Talk about what I have created and materials I have used.</p> <p><i>sculpture, statue</i></p>	<p>Explore printing using different objects, (sponges, food, fabric)</p> <p>Mono print using foil and felt pens.</p> <p>Use Hapa-Zome to print.</p> <p>Talk about how I have printed something and why I chose what to print with.</p> <p><i>print, object, printing, Hapa-Zome, floral</i></p>	
<b>Year 1</b>	<p>Draw lines of varying thickness.</p> <p>Apply varied amounts of pressure to change the thickness and darkness of lines created using a pencil.</p> <p>Use different materials to draw (pencil, pens)</p> <p>Show movement using lines</p> <p><i>illustration, drawing, line, thickness, darkness, pressure, movement</i></p>	<p>Experiment with different brushes and other painting tools. (paintbrush, spatula, sponge)</p> <p>Mix primary colours to make secondary colours.</p> <p>Identify which colours are warm and which are cool.</p> <p><i>primary colours, secondary colours, warm colours, cool</i></p>	<p>Use a variety of recycled materials for sculpting.</p> <p>Compare sculpting in recycled materials to dough.</p> <p>Use a variety of shapes when sculpting.</p> <p><i>work of art, 3D, sculptor, materials, abstract,</i></p>		<p>Use a dyeing technique to alter a textile's colour and pattern.</p> <p>Decorate textiles with stitching, to add colour and detail.</p> <p><i>decoration, decorative, dye, needle, thread, stitch.</i></p>
<b>Year 2</b>	<p>Use dots and lines to demonstrate texture.</p> <p>Use a variety of mark making techniques to show pattern.</p> <p>Use different materials to draw and make preferences based upon their properties. (pencil, highlighters, felt tips)</p>	<p>Place primary and secondary colours on a colour wheel.</p> <p>Experiment with paints - acrylic paint, watercolours.</p> <p>Add white and black to precisely alter tints and shades.</p> <p><i>watercolour, wash, acrylic, tint, shade</i></p>	<p>Use a variety of natural, recycled and manufactured materials for sculpting. (clay, straws and card)</p> <p>Use a variety of techniques. (rolling, cutting, pinching, folding.)</p> <p>Compare the use of line in drawings and sculpture.</p>	<p>Use a variety of materials (different cardboards, corrugated card, felt, plastic letters) to create print blocks.</p> <p>Use more than one colour to layer in a print.</p> <p>Reverse letters to make them print the right way round.</p>	

	detail, texture, pattern.		installation, shapes, geometric, line	layering, accuracy, print block, reverse, multi colour	
<b>Year 3</b>	<p>Use different materials to draw (pencil, pastels and charcoal).</p> <p>Use pressure to show light and shadow.</p> <p>Use mark making to support proportions when drawing.</p> <p>Gather ideas by making observations.</p> <p>light, dark, shadow,</p>	<p>Choose brushes to use with paint type and create shape and texture.</p> <p>Mix colours effectively when using watercolour to create hues and depth of colour.</p> <p>Understand the paint can be layered to create a depth of colour.</p> <p>Consider what to do in a painting's background.</p> <p>hue, depth, background</p>	<p>Compare using clay and Modroc to find a preference.</p> <p>Join malleable materials using fingers and tools to smooth joints.</p> <p>form, join, malleable, preference, media, mod roc</p>		<p>Experiment with a range of media by overlapping and layering in order to create texture, effect and colour. (Sweet wrappers, tissue paper, bottle tops, CDs, cardboard)</p> <p>Add decoration to create effect.</p> <p>Design a piece of textile art.</p> <p>overlap, layer, join, design</p>
<b>Year 4</b>	<p>Use lines and texture to create shading with different grades of pencils</p> <p>Use pressure to create different depths of shading.</p> <p>Show tone using lines and texture.</p> <p>tone, form, pencil grade, shading</p>	<p>Choose brushes to use with paint type and use varied brush techniques to create shapes, textures, patterns and lines.</p> <p>Mix colours effectively using watercolours and acrylics using the correct language, tint, shade, primary and secondary.</p> <p>Lighten or darken colours using both black and white but also yellow and blue.</p> <p>foreground, middle ground, background.</p>	<p>Use tools and materials to carve, add shape, add texture and pattern.</p> <p>Join clay structures using slip.</p> <p>Use the clay building techniques coiling and slabbing.</p> <p>coiling, slabbing, slip</p>	<p>Use more than one colour to layer in a print.</p> <p>Replicate patterns from observations.</p> <p>Make multiple collagraphy printing blocks and build a printed piece of art.</p> <p>Make repeated patterns with precision.</p> <p>replicate, multiple, precision</p>	
<b>Year 5</b>	<p>Use a variety of techniques to add shading and shadow (hatching and cross-hatching).</p> <p>Use perspective in drawings.</p> <p>Select the most appropriate tool for drawing (pencil, pen and ink)</p> <p>perspective, hatching, cross hatching, ink</p>	<p>Create a colour palette, demonstrating mixing techniques to create a wide range of tone and hue.</p> <p>Use oil paints and water colours to create visually interesting pieces which use a variety of hue and tone in the same colour.</p> <p>blend, palette, tone</p>	<p>Plan and design a sculpture.</p> <p>Develop cutting and joining skills using wire.</p> <p>Choose from a range of materials to create a 3D sculpture.</p> <p>structure, cast, wire</p>		<p>Select appropriate materials for textile art and give my reasons.</p> <p>Use a variety of techniques, (printing, dyeing, weaving and stitching) to create different textural effects.</p> <p>Develop my skills in stitching, cutting and joining.</p> <p>texture, colour, shape, stuffing, shades, hue, landscape, inspiration</p>
<b>Year 6</b>	<p>Use a variety of techniques to add effects, scumble, smudge, blend</p> <p>Depict movement in drawings.</p> <p>Use space to plan my drawings.</p>	<p>Understand how to make a colour warmer or colder.</p> <p>Use colour to make the focus or subject of a painting stand out.</p>	<p>Use real life sketches to create a sculpture.</p> <p>Use wire as the structural basis for a clay sculpture.</p>	<p>Use different printing types to create one piece of art (collagraphy, mono and relief block)</p> <p>Decide which parts of a composition should be done with which printing</p>	

	<p>Use a variety of tools and media selecting the most appropriate.</p> <p>smudge, blend, mark, spatial awareness</p>	<p>warmer, colder, focus, subject</p>	<p>Discuss the pros and cons of different materials.</p> <p>structural, pros, cons</p>	<p>type.</p> <p>Use intricate carving showing detail on relief print blocks.</p> <p>Design and create printing blocks using easy cut rubber blocks.</p> <p>easy cut rubber blocks,</p>
