Parkdale Primary School

Welcome to The Orchard

Our Inclusion Base has a new name

A place where everyone belongs ♥

Small steps brighter tomorrows ♥

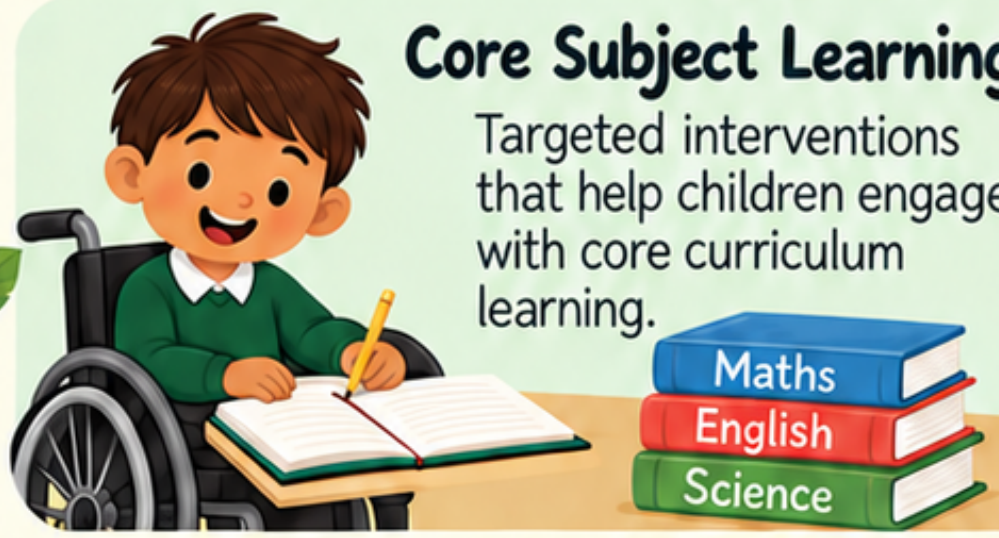

Kind People Brighter Futures ♥

The Orchard also includes The Acorn Room, our satellite room of support.

Flexible, timely and accessible support that removes barriers to learning. Helping every child participate, belong and make meaningful progress in mainstream school life.

Core Subject Learning

Targeted interventions that help children engage with core curriculum learning.

Communication & Interaction

Support to build communication, interaction and social understanding.

Whole Word Reading

Structured support to develop confident word recognition and reading.

Sensory Regulation

Calm, supportive activities and strategies for sensory regulation.

Interoception Curriculum Activities

Helping children notice, understand and respond to signals from within their bodies.

Lunchtime Provision

Supervision and support for children who need it over lunchtime.

Life Skills & Independence

Learning practical life skills to support greater independence, while meeting each child where they are.
